

Repair of Unisab I

Dear Sir

We do not have any new prints for the Unisab I.

However, we can repair your print(s) in very short time if required.

Further, we have two choices of "repair"

REPAIR:

You send the print for repair at our workshop and we repair and return within 5 days from receipt.

Repair price is:

Repair of Unisab I relay print is	1.523,00EUR
Repair of Unisab I front cover (CPU) is	2.074,00EUR
Repair of Unisab I Communication print is	546,00EUR

REPLACEMENT:

We can send out a reconditioned print for you for replacement.

This we can only do if we are absolute sure what unit you have and what software you are running. When changed you will have to send the defective print return for us for us to repair and use for our next customer who choose replacement.

Replacement price is:

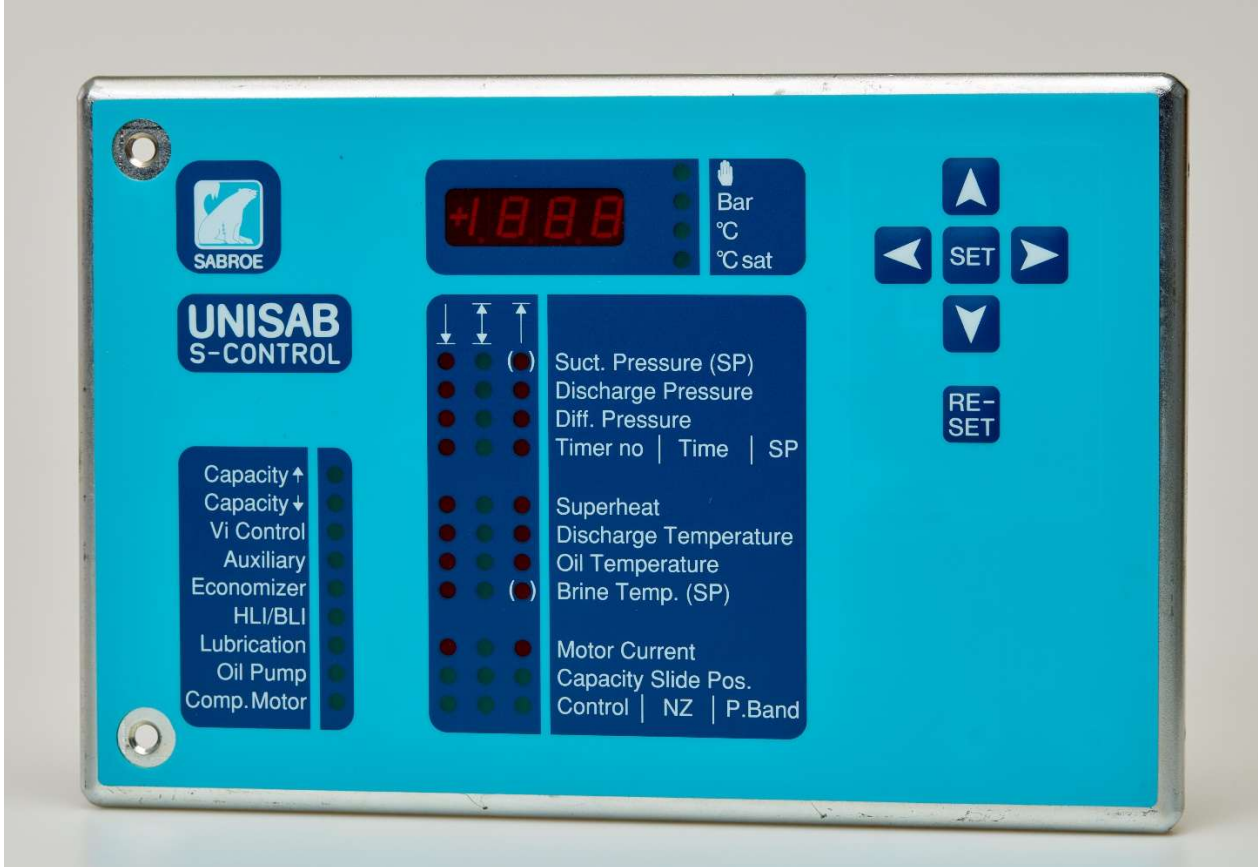

Reconditioned Unisab I relay print for replacement is	1.523,00EUR
Deposit for Unisab I1 relay print is	1.523,00EUR
Reconditioned Unisab I front cover for replacement is	2.074,00EUR
Deposit for Unisab I front cover is	2.074,00EUR
Reconditioned Unisab I Comm. print for replacement is	546,00EUR
Deposit for Unisab I Comm. print is	546,00EUR

The deposit will off course be credited upon arrival of the defective parts.

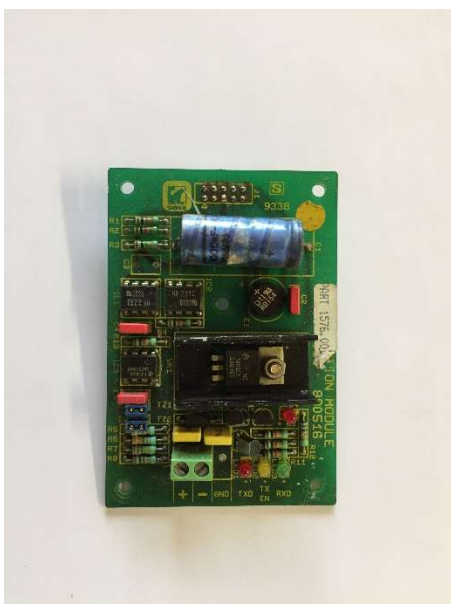

When we do the replacement of the Unisab I front cover (CPU), we will need to know which type of Unisab I, S, R or RT and which revision of software you have, in order to deliver the correct front cover for you. In some cases, this is difficult to find out and we then prefer you to return for repair.

Packing/Freight will be approx. 60-90EUR depending on shipping destination.

Unisab I Communication print:

Unisab I relay print:

We hope after you have read the above that you will choose to get your Unisab I print(s) repaired by our company.

You are also welcome to visit our home page at www.bcool.as where we also show which other electronic parts, we do repair.

Best regards

John Winther
